

Balou du Rouet

Oldenburg , Bay, Born 1999 16.3 hands

Oldenburger Silver Medallist 2005

One of the best German horses in his age group

A favourite with the crowds at all of his appearances. Equipped with maximum elasticity in his gaits, he completed an excellent Stallion Performance Test awarded with the top marks of 9.5 and 10.0 for jumping by the 'foreign' judges. He has continued his sporting career in supreme style, winning several classes judged on style and ability up to "M level". He won the final qualification at the German Young Horse Championships with the top score of 9.2 and in the final was one of the four best approved stallions in Germany. Sire Baloubet du Rouet, currently one of the most successful jumping stallions on the international stage (individual gold medallist at the 2004 Olympic Games in Athens, three-times World Cup Champion in a row, winner of many Grand Prix's).

On the dam's side, Balou du Rouet is directly related to the founder of the bloodline "Cor de la Bryère" from Holstein through Rantzau xx. The similarity can be seen in Balou du Rouet's jumping style and ability. His stunning dam Georgia is by the increasingly popular Contender son, Continue. Once again, Balou du Rouet emphasises his dominant quality as a producer in type, elegance and movement with numerous foals at many different auctions. His first crop of youngsters confirmed their quality at the approvals; one of his sons out of a Sandro mare was the most expensive premium stallion at the Oldenburg Approvals in Vechta.

Approved for **Oldenburg, OL-International, Hannover, Rheinland, Westfalia, South German association, Zangersheide, Sweden, Italy, France**
