He convinced the judges who described him as being an “expressive Hanoverian stallion, true to type, of exceptional quality”! Benetton was the favourite at the 2007 Federal Championships of three-year-old stallions in Warendorf, and he left all competitors behind. He achieved the highest scores in all four riding horse ability classes. His perfect, ground-covering and supple walk was judged with the fantastic score of 10.0 in both tests.
