

Quando Quando

Oldenburg, Dark Chestnut, Born 1995 16.3 hands

Quando-Quando points the way to the future. He puts a spell on everyone by his appearance, his balanced, pleasant manner and his spectacular paces. His career in sport and breeding has been exemplary, beginning in 1995 as a top colt at the Vechta auction, continuing to become the 1c Premium winner at the stallion approval and the undisputed winner at the stallion performance test with the highest possible score of 10 for character and willingness to perform, a score of 9.5 for rideability and a score of 9 for temperament, walk, trot and canter. Ever since, his success in sport and breeding has reached an impressive heights. Highlights in sport have been participation in the Bundeschampionat finals for 5 and 6 year old dressage horses, 5th place at the World Championships in the class for 6 year old dressage horses as well as 5th place at the Nürnberg Burgpokal 2003, prior to which he won the VTV Dressage Stallion of the Year Award. First places in international Grand Prix followed in 2004 and he won the World Cup B finals in Dortmund which resulted in his nomination for the Olympic Games in Athens.

Quando-Quando also made a name for himself as a maker of first class horses, when his licensed son, Quaterman, became a finalist at the Bundeschampionat. More than 90% of his foals were awarded a premium at the Oldenburg branding events in 2004. In Berlin-Brandenburg, strong moving off-spring by this stallion are found each year on the top places at foal championships and broodmare shows. In Brandenburg/Sachsen alone, 10 State Premium mares confirm the quality that Quando-Quando passes on to his daughters. In 2004, after Quaterman and Quentchen Glück, Quiroga was Quando-Quando's third son to be licensed. His offspring are very popular because of their modern, noble looks, outstanding rideability and strong movements and they also have the good jumping ability his pedigree promises. All of these characteristics are impressively documented in the FN's 2004 Predicted Breeding Value statistics.

Quando-Quando is one of the "top five" dressage stallions with a breeding index of 151 points.
